ACTIVITY RISK CLASSIFICATION:

I understand that: Horseback riding is classified as a RUGGED ADVENTURE RECREATIONAL SPORT ACTIVITY and that there are numerous obvious and non-obvious inherent risks always present in such activity, despite all safety precautions taken. According to NEISS (National Electronic Injury Surveillance Systems of United States Consumer Products) horse activities rank approximately 64th among the activities of people relative to injuries that result in a stay at U.S. hospitals. Related injuries can be severe requiring more hospital days and resulting in more lasting residual effects than injuries in other activities.

NATURE OF RIDING HORSES:

I understand that: No horse is a completely safe horse. Horses are 5 to 15 times larger, 20 to 40 times more powerful and 4 to 4 times faster than a human. If a rider falls from a horse to the ground it will generally be at a distance of 3 to 5 1/2 feet and the impact may result in injury to the RIDER. Horseback riding is the only sport where one much smaller, weaker predator with another much larger, stronger prey animal with a mind of its own (horse) and each has a limited understanding of the other. If a horse becomes frightened or provoked it may divert from its training and act according to its natural survival instincts which may include, but are not limited to; stopping short, changing directions or speed at will; shifting its weight; bucking, rearing, kicking, biting or running from danger.

RIDER RESPONSIBILITY:

I understand that: Upon mounting a horse and taking up the reins, or taking up the rope of a haltered horse, the RIDER is in primary control of the horse. The RIDER'S safety largely depends upon his/her ability to carry out simple instructions, and his/her ability to remain balanced aboard the moving animal and remain in control. If the RIDER is pregnant, the RIDER is restricted from any activities that involve being mounted on the horse and must have a signed physician's statement to be involved in any ground activities at NIGHT STAR RANCH.

CONDITION OF NATURE:

DLB Ranch Inc and Night Star Ranch, its owner, Joni Maggini and any agents, instructors, or horse handlers are NOT responsible for total or partial acts, occurrences or elements of nature that can scare a horse, cause it to fall, or react in some other unsafe way. SOME EXAMPLES OF THIS - BUT ARE NOT LIMITED TO: thunder, lightning, rain, snow, ice, wind, wild and domestic animals, insects,

reptiles, which may walk, run, fly near, bite and/or sting a horse or person, and irregular footing on an outdoor un-groomed or wild land which is subject to constant change in condition according to weather, temperature and natural or man-made changes in landscape.

ACCIDENT/MEDICAL AND PERSONAL LIABILITY INSURANCE:

I agree that: Should medical treatment be required, I and/or my own accident/medical insurance company card will be displayed to the instructor/horse handler. Should my actions or that of my horse cause injury or damage of any kind I and/or my personal liability shall pay for such damages.

PROTECTIVE GEAR WARNING:

I agree that: I, for myself and on behalf of my child and/or legal ward have been fully warned and advised by Night Star Ranch that protective headgear which meets or exceeds the quality standards of the SEI certified ASTM standards F1163 Equestrian Helmet should be purchased and worn while riding and being near horses and I do understand that the wearing of such headgear while on or around a horse may reduce the severity of some of the wearers head injuries and possibly prevent the wearer's death from happening as the result of a fall or other occurrences.

LIABILITY RELEASE:

I agree that: In consideration of Night Star Ranch allowing my participation in this activity, under the terms set forth herein, the RIDER, for myself and on behalf of my child and/or legal ward, heirs, administrators, personal representatives or assigns, do agree to hold harmless, release and discharge Night Star Ranch, its agents, instructors or horse handlers and trails, employees, volunteers, and others acting on their behalf, of and from all claims, demands, causes of action and legal liability, whether the danger be known or unknown or unanticipated, due to the instructor's or horse handler's ordinary negligence; and I do further agree that except in the event of the gross negligence and willful and wanton misconduct, I shall not bring any claims, demands, legal actions and causes of action against Night Star Ranch, owners or agents of properties, or those described herein, and all other persons and organization in any way affiliated with the events, property, boarding, lessons, training or any other activity described herein, their representatives, heirs, executors, administrators, and assigns as stated above in this clause, to any economic and non-economic losses due to bodily injury, death and/or property damage, sustained by me handling, or otherwise being near horses owned or in the care, custody or control of the instructor or horse handler, whether on or off the premises.

OF RISK. I/WE FURTHER ATTEST THAT ALL FACTS IN RELATION TO THE APPLICANT ARE TRUE AND ACCURATE. All riders and parents or legal guardians of minors must sign after reading this entire document.
